“A Vision Without Execution is A Hallucination”

-Thomas Edison

Don't Let Hiring Bartenders and Servers Become a Huge
PAIN IN THE GLASS!

Does This Sound Familiar?:

- ✓ **Employees that have no money but don't want to work**
- ✓ **Candidates who don't even show for an interview**
- ✓ **Overstated Experience and Abilities**
- ✓ **Unmotivated & Lazy Employees**
- ✓ **Employees who are “Order Takers” NOT “Salespeople”**
- ✓ **Bad Hires & Large Turnover**
- ✓ **Poor Morale & No Loyalty**
- ✓ **Arrogant Employees Who Know More than You Do**
- ✓ **Employees who think they will TAKE all your customers**
- ✓ **Theft (Yes, OVERPOURING is THEFT!)**

We've seen and heard it all and have been helping bars, clubs and restaurants screen, hire, train, motivate and retain talented employees beyond expectations!

We're not a national chain or franchise. We are Connecticut Business People helping Connecticut Business People Succeed!

Complete services start at just \$100 per project. Even more extensive options will save rather than cost you money. In today's volatile business climate, using the services of a consultant doesn't cost... it pays! Think about how much a bad hire or another round of hiring costs in time, lost productivity and aggravation; not to mention morale and public perception.
