

## RESTAURANT **TAKEOVER**

*What's Behind The Recent  
Explosion of Business  
"RESCUE" T.V. Shows?*

# *Smart Business Owners!*

**Not every business can win a spot on a popular reality TV Series.**

**-BUT-**

**Progressive business owners can benefit from the help of local consultants!**

The Rivo Consulting Group is not a franchise or national "Coaching" chain. Experienced and specialized counselors evaluate and guide small to medium sized independent businesses of every type into positive ROI's while returning the pleasure and passion to owners and principals! Consider the alternative of inaction.

- Financial Management, Reporting, Filing
- Business Process Analysis, Start-ups, Planning
