

START-UP CONSULTING!

If you're building a house,
you should hire an *Architect*.

If you're building a business,
you MUST hire a *Start-Up Consultant!*

The Rivo Consulting Group is a collection of seasoned executives, with their own individual specialties, strategically located throughout Southern New England and Westchester County. Providing objective counsel throughout the entire business gestation, RCG will be at your side, by your side from the first ideas to realizing the first return on investment!

In today's volatile corporate environment, Consultants are no longer a luxury for the "Big Guys". RCG's clients range from one employee to hundreds. RCG will help with business plans, partnerships, VC/PE/Angel Investing, HR Administration, GAAP and more! There's never a charge for initial consultations and you will receive the attention, service, and targeted expertise that Attorneys and Accountants simply can't provide.
